## Formatting documents

## Messy example:

```
flexbox_lab.html
♦ flexbox_lab.html > ♦ body > ♦ div.flexbox-container
       <!DOCTYPE html>
  2 \vee \langle head \rangle
           <link rel ="stylesheet" href ="flexbox.css">
  3
  4
           </head>
  5 \times <body><h1>Flex Container</h1>
              <div class="flexbox-container">
           <img src ="image-1.jpg">
  7
                    <img src ="2.jpg">
  8
                    <img src ="3.jpg">
  9
       </div>
 10
 11
 12 ∨ <div class="flexbox-container">
                <img src ="5.jpg">
 13
                <img src ="5.jpg">
 14
           <img src ="6.jpg">
 15
               </div>
 16
 17
 18
           </body>
 19
```
